FATHER AND SON BATTERY WORK

For Catholics But Lose To Presbyterians 19 to 8—New Team Looks Good, Tho'

HOW THEY STAND

	Games	Played	Won	Lost	Pct.
2nd Christians	4	6	1	5	.600
1st Christians	3	1	0	2	.333
1st Baptists	3	2	1	0	.667
Presbyterians	4	2	2	2	.500
Catholics	5	1	0	5	.200
Methodists	3	3	0	0	1.000

(By Edgar T. Higgins)

The Presbyterian nine won their second game of the season from the new Catholic team on the Normal grounds Friday by a score of 19 to 8.

The new Catholic team shows a lack of practice and material. The two Elder boys and Walser showed well. The veteran James McCarty, on the mound for the Catholics, disdained to use a glove and stuck to his old way of playing and showed the boys how the game used to be played. His son completed the battery—the first father and son battery heard of around here. Walser proved to be the star batter, for the losers, getting a triple, a double and a single in four times up.

The Presbyterian team showed up well both at the bat and in the field. They made only one error during the entire contest. Their big inning was the sixth, in which they collected six hits, with a base on balls, and three errors for eight runs. Charley Terrill started pitching for the Presbyterians but was replaced by Arnold Hanger in the second inning. Watch out for this team, you contenders.

The score:

	AB	R	B	PO	A	E
Presbyterians	35	19	16	21	8	1
Methodists	35	19	16	21	8	1
Greenleaf	35	22	20	0	0	0
Hutchins	35	22	20	0	0	0
Walser	35	22	20	0	0	0
Telford	35	22	20	0	0	0
Deathorne	35	22	20	0	0	0
Winkler	35	22	20	0	0	0
Terrill	35	22	20	0	0	0
Hanger	35	22	20	0	0	0
Total	35	19	16	21	8	1

Presbyterians 19 to 8. The averages are of those players who have participated in 15 or more games and include games of last Wednesday.

A number of surprises are in store for the American league batters in the next few weeks.

Tyris Cobb, pilot of the Tigers, is back at his old tricks with the willow and promises to make things interesting for one of his outfields, Harry Heiman, who is leading the league with an average of .454. Cobb's mark is .395. George Seisler, the St.

Louis star, is coming fast and has moved from 37th to fourth place in two weeks. His average now is .380, one point behind Stephen.

Two-base hits—Walser, Deathorne and Winkler.

Three-base hits—Hutchins, A. Hanger and Walser.

Left on bases—Presbyterians 2, Catholics 7.

Stolen bases—Greenleaf 2, Deathorne 2, Hutchins 2, Winkler, Terrill, Rogers, N. Elder 2, L. Elder.

Balk—McCarty.

Struck out—By Rogers 3; by Telford 2; by A. Hanger 1.

Base on balls—Off Telford 2; off McCarty 2; off Rogers 1.

Hit by pitcher—By Hanger 3.

Wild pitches—McCarty 1; Telford 1; Hanger 1.

Pass balls—Winkler 2; McCarty 1.

Umpires—Norman and Devore.

Medison's Quota Is \$2,600

The Salvation Army drive which was advertised to be held this week has been postponed. Arrangements are being made to have the quota of \$2,600 raised by the churches of the county. Anyone desiring to make a donation to this splendid cause will mail their check to Mr. R. E. Turley, who is treasurer for the local board.

WANTED—300 men wanted at the Alhambra Theatre Sunday morning at 9:30.

Sandwiches a specialty at Baptist sale Saturday. Sewell & McKinney's.

RUTH LEADS KELLY BY FOUR HOMERS

(By Associated Press)

Chicago, May 21.—"Rabbit" Maranville of Pittsburgh, was on a batting rampage during the past week and went from tenth place second to become the runner-up to Roger Hornsby, the St. Louis star, who is topping the National League regulars in batting despite the fact that he ran into a stump. Maranville's average is .368 compared with .356 last week, while the National champion of last year dropped from .471 to .457.

George Kelly, of the Giants, who is competing with Babe Ruth, of the Yankees in the major race for home run honors, hit only one four-play blow, which brought his total up to eight while the American league champion has an even dozen.

Poline, of Cincinnati, stole another base during the week and leads the base stealers with eight thefts.

Other leading batters: Schultz, St. Louis, .364; Barber, Chicago, .356; Hargrave, Cincinnati, .354;

Johnston, Brooklyn, .351; M. Henry, St. Louis, .346; R. Miller, Philadelphia, .346; Carey, Pittsburgh, .343; Deal, Chicago, .341; Kelly, New York, .340.

The averages are of those players who have participated in 15 or more games and include games of last Wednesday.

A number of surprises are in store for the American league batters in the next few weeks.

KLEPTOMANIA BLAMED FOR WOMAN'S THEFTS

Wife of Wealthy Bond Broker, Suffering From Auto Accident, Became Impostor

(By Associated Press)

Chicago, May 21.—An automobile accident resulting in injuries which led to kleptomania is blamed by relatives and physicians today for acts of Mrs. Joseph S. Heil, wife of a wealthy bond broker, and who confessed last night, according to police, that for more than a year she had been robbing homes of wealthy families while posing as a maid. Loot said to total more than \$25,000 was found in Mrs. Heil's home. She is held at the detention home today formally charged with robbery. Her condition is said to be serious. Moreover, she is about to become a mother.

Members of the family said today she was in an automobile accident several years. An operation was necessary, but the wound never healed. The case is most unusual. She had an allowance of \$300 a month from her husband, two automobiles and a magnificent home, according to her confession. She forged references and obtained employment as maid and robbed many fashionable North Shore homes. All said she was a "perfect maid" and so efficient that she was trusted fully. The loot ranged from bird cages to silverware, lamps, chinaware and valuable jewelry. A number of platinum pins and diamond rings being traced today through pawn tickets were found at her home.

Heil for some time refused to believe the charges. He had accepted the explanation that she had bought the articles at auction. "Why," he said, "I can cash my personal check for \$250,000 in any Chicago bank; then why should my wife steal?" His income is said to be \$150,000 annually. Mrs. Heil is 38 years old and has a married daughter.

Tracing of a license number on an automobile carrying a quantity of goods away from a home where she was employed traced to her and proved her undoing.

CHRISTIAN SUCCEEDS CANEER AT STANFORD

(By Associated Press)

Prof. Virgil Christian, who has been principal of the Anchorage Graded and High School for the last two years, has accepted an offer of the Stanford Graded and High School board of trustees to become superintendent of that school and will go there in September to take charge at increase in salary. He succeeds Superintendent M. L. Cancer, formerly of Richmond, who resigned at Stanford to take charge of the old home farm at Connorsville, Tenn. The place was tendered Prof. Christian by Stanford trustees after he had visited Stanford. He was superintendent of schools in Marion, Crittenton county, for several years before going to Anchorage. He had been principal of Marion High School before that. He is a graduate of Georgetown College and is about 35 years of age.

Butler and brief, Kansas City teammates, have exchanged places for the leadership of the American Association batters the former topping the list with an average of .448, while the latter is hitting .426.

Will Soon Be Off Friends will be glad to know that the burns of Mr. William Martin sustained early this week at Perry's Drug Store, while taking down from a shelf a quart jar of sulphuric acid, were not so serious as at first reported. According to reports Saturday morning, his eyes have not been affected by the acid, and that he will be able to leave the Infirmary either today or Sunday.

Prof. G. D. Smith Honored

Prof. G. D. Smith, of the Eastern Normal, was honored this week at meeting of the State Academy of Science, in Lexington, by being unanimously chosen as president. Prof. Smith was present for the meeting and delivered an address on the subject, "The Rattlesnake and the Copperhead."

A Notable Occasion At Berea

(Lexington Herald Editorial)

The authorities of Berea College have extended an invitation to the public to be present at a ceremony that will be not only in

teresting but may be an augury of far-reaching moment—the laying of the cornerstone of "Sunshine Ballard Cabin," tomorrow, Saturday, May 21, at 11 o'clock.

The new building which is given by Lieut. Governor Ballard and named in honor of his wife, will be in accord with the architecture of the mountains and will be used in teaching weaving, pottery, basketry and chair-making, all arts that have long been extant in the mountains and which the mountain people excel. It is a notable occurrence for the Lieutenant Governor of the state to donate the salary he receives during his term of office for the erection of a building in which these arts are taught. The laying of the cornerstone of the building may well be taken as a happy augury of wider interest in the work that has been done at Berea and more general appreciation of the possibilities of service by that institution.

There is no college in all the country that has rendered higher service than Berea. The work that has been accomplished there in the comparatively brief period since its foundation is remarkable, the benefit that has come from that work in the quickening of spiritual and educational influences throughout the whole Appalachian regions is beyond computation.

Without state aid—for a long period without the cordial support of a majority of Kentuckians—Berea moved from the smallest of beginnings, until now its beneficent influence is felt throughout the whole Appalachian region and its fame extends throughout the Nation.

Dr. Frost, its former president, rendered valuable service to the

cause of higher education and equal service to the cause of general interest in education. His successor, Dr. William J. Hutchins, gives full promise of following worthily the high ideals that inspired Dr. Frost and the stern standards by which he measured his service.

If through the gift of the "Sunshine Ballard Cabin" Governor Ballard attracts state attention

to Berea and arouses keener interest in the possibilities of its work, his gift will have a value for beyond its direct usefulness.

There are many reasons that there is need for private schools and colleges in the mountains. Due to the widely scattered population, the difficulty of transportation, the comparative lack of concentrated wealth, the public schools of the mountains are not what they should be, either in equipment, length of term, or as a rule in the training of teachers. It is therefore, difficult for the mountain youth to obtain the foundation of education necessary for entrance into the average college and it is essential there shall be private schools in the mountains and also colleges, the curriculum which is adapted particularly to the needs of those for whom they are primarily intended.

The best blood and brain of the Anglo-Saxon race is in the Appalachian mountains. All who look to the future of our State and Nation should do whatever is in their power to give to the inheritors and conservators of the traditions and the spirit of the pioneers who settled in those mountains generations ago, every possible opportunity to train themselves so that they may lead, as by natural ability so many of them are eminently qualified to lead.

All who can should take advantage of the opportunity to see Berea tomorrow and to participate in the exercises that include speeches by Governor Morrow, Lieut. Governor Ballard, and Dr. Hutchins.

Mr. William Embry, of Ravenna, spent the week-end with his parents at Red House.

WEAK; RUN-DOWN

Carolina Lady Got So She Could Just Drag—"Cardui Built Me Up," She Declares.

Kernersville, N. C.—In an interesting statement regarding Cardui, the Woman's Tonic, Mrs. Wesley Mabe, of near here, recently said: "I have known Cardui for years, but never knew its worth until a year or so ago. I was in a weakened, run-down condition. I became draggy—didn't eat or sleep to do any good; couldn't do anything without a great effort. I tried different remedies and medicines, yet I continued to drag."

"I decided to give Cardui a trial, and found it was just what I really needed. It made me feel much stronger soon after I began to use it. I began to eat more, and the nervous, weak feeling began to leave. Soon I was sleeping good."

"Cardui built me up as no other tonic ever did."

"I used Cardui with one daughter who was puny, felt bad and tired out all the time. It brought her right out, and soon she was as well as a girl could be. We think there is nothing like Cardui."

Do not allow yourself to become weak and run-down from womanly troubles. Take Cardui. You may find it just what you really need. For more than 40 years it has been used by thousands and thousands, and found just as Mrs. Mabe describes.

At your druggist's.

NC-143

CONVINCING

PROOF

That Lydia E. Pinkham's Vegetable Compound Has Extraordinary Curative Power in Cases of Woman's Ailments

Columbus, O.—"I suffered very much pain during my monthly periods and

felt weak and all run down. I tried many remedies and the doctor said I would have to have an operation. Then before my baby was born I had terrible pains in my sides. I took Lydia E. Pinkham's Vegetable Compound and it helped me wonderfully. I have had

two children since I began taking your medicine and did all my own work including washing while carrying them. I can also recommend Lydia E. Pinkham's Sanative Wash. You may use this letter as a testimonial if you wish."

—Mrs. THOMAS L. CHRISTY, 701 West Mound St., Columbus, Ohio.

Such a condition as Mrs. Christy was in points directly to a deranged condition of a woman's system, and by following her example taking Lydia E. Pinkham's Vegetable Compound, women may be relieved from such ailments and be restored to normal health and strength just as she was.

If there is anything about your condition you do not understand write Lydia E. Pinkham Medicine Co., Lynn, Mass., in regard to your health.

**FORD PRODUCING
4,000 CARS A DAY**

Present Production Greater Than For Same Period of Last Year

Ford is building cars at full speed. And, according to an official statement from the factory at Detroit, the demand for Ford cars and trucks still exceed the output, despite the fact that a new high level of production has been reached.

By the first of May the figures representing daily production were in the neighborhood of 4,000 a day, so the May schedule was set at 101,125 cars and trucks not including the output of the Ford Canadian plant or any of the foreign assembling plants. The output mounted daily; May 12th brought 4092, the greatest number that has been produced in one day so far this year. Since the month has 25 working days, present indications point to a new high record.

A comparison of Ford production figures for 1920 and 1921 discloses the fact that for April, 1921 the output was greater by 34.51% than for the corresponding month of a year ago. The output for May, 1921, will probably overshadow May, 1920, by between fifteen and twenty thousand cars and trucks.

Approximately 43,000 men are at work in the Detroit plant of the Ford Motor Company. The factory is operating on full time, six days a week and three shifts a day.

"We were never in a better condition that we are right now," said Henry Ford recently.

"CHINA WEEK" IS SUPREME EFFORT OF FUND WORKERS

As a practical and popular demonstration of the sympathy of the nation for a sister republic, a "China Famine Week," to be observed throughout the United States, has been set for the eight days from Sunday, May 1, to Sunday, May 8, inclusive.

In this week it is hoped that the churches and civic, commercial and professional bodies will take an active part. The success of this week will determine largely the amount of relief which can be sent through personal sacrifice to 5,000,000 starving people still dependent on outside aid.

SEND What You SPEND ONE DAY To China

5,000,000 Chinese Famine Victims Still Need American Help Before June.

\$1 will save one life one month.

PICK A PAL IN CHINA FOR A DAY

To hasten the work of relief, this newspaper will forward contributions to the local Treasurer, or to the National Treasurer, China Famine Fund, Bible House, New York City.

Mrs. E. P. Campbell, of Irvine, was a visitor here this week en route to Louisville to see her sister, Mrs. Fanny Lilly.

At the Ribbon Counter

AWAYS there are pretty new fur-

bows at the ribbon counter with

which to tempt a frail, feminine love of tinsel. Many of these are too small to be well represented by photographs, but they coax as many dollars out of fair admirers as their larger rivals, and are entitled to honorable mention. They include an endless variety in lingerie bows and roses, ribbon flowers, sachets, powder bags, corsage flowers, garters, sleeve bands, and other little accessories. The new feature in these familiar luxuries for this season is the introduction of very narrow ribbon in the making of flowers, flowerlike roses, bows and ornaments.

Bags and sashes or girdles still occupy the places of first importance at the ribbon counter. Bondoir caps have always depended upon ribbons to do their cheerful part in their making, and a few examples of these have been selected from late arrivals, for illustration here. Two very handsome bags, shaped to harmonize with their mountings, show rich brocaded ribbons in graceful developments. One of them employs plain satin ribbon with the brocade, and both have plate satin

SOCIAL and PERSONAL

Interesting Wedding

Friends have learned with interest of the marriage of Miss Loretta Buchignani to Mr. W. H. Scribner, which was solemnized Saturday afternoon at Georgetown. Mr. M. G. Geiger accompanied the bridal pair to Georgetown and was a witness to the marriage.

After a trip the bride and groom returned to Lexington and for the present are at the Lafayette Hotel.

The bride is pretty and charming and one of the accomplished daughters of Mrs. Eugene Buchignani of Lexington. From childhood she has been a brilliant girl.

Mr. Scribner is director of the orchestra at the Ada Meade theater and quite popular—Lexington Herald.

Miss Buchignani frequently vi-

its Miss Evelyn Giunchigliani and has a number of friends here who will be interested in the happy event.

Mr. and Mrs. Elvada Tudor and Miss Mary Alice, have returned from Mt. Sterling where they attended the Knights Templar conclave.

Misses Florence Lewis and Margaret Chenault spent Friday in Lexington.

Miss Josephine Covington is at home from Mary Baldwin Seminary to spend the summer vacation with her parents at Maple Lawn.

Mr. and Mrs. Z. T. Rice, Miss Carolyn Rice, and Z. T. Rice, Jr., and Robert Leslie Rice, have returned from a visit to Mrs. Carrie Davidson in Lancaster.

Mr. and Mrs. Clarence Adams and children will return Sunday to their home at Minier, Ill., after a few weeks visit here.

Mrs. J. G. Taylor has returned from a visit to her daughter, Mrs. J. R. White, in Irvine.

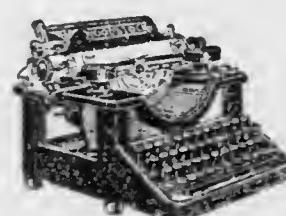

Wm. Arnold, Jr., who came home from North Middlestown on account of illness, will probably return the first of the week.

Mrs. Mose Nelson is convalescent from an operation perform-

ed a couple of weeks ago and will soon be out.

Messrs. Ted and Robert Burns, of Decatur, Ill., were called here Friday by the death of their uncle Mr. W. S. Hunley.

Mr. E. C. Conroy, of Irvine

WOODSTOCK—

No. 5 Typewriter, in splendid condition, almost new, a bargain at \$60.

spent several days the past week with Mr. and Mrs. C. H. Park, on Second street.

Dr. C. S. Holton was in Lexington this week to see his wife, who is a patient at the Good Samaritan hospital.

Mr. and Mrs. G. C. Clark have returned from a visit to their son Thomas Clark, in New Jersey. They are glad to report to friends here the great improvement in his condition after a six month illness.

Mrs. J. N. Shovercke, of Oklahoma City, arrived Friday night to attend the funeral of their uncle, Mr. W. S. Hunley.

Prof. A. C. Duncan, Mrs. P. K. Duncan, Mrs. Chenault Duncan and Mrs. Wm. Smith all of Irvine were in Richmond Saturday to attend the funeral of Mr. W. S. Hunley.

The Lancaster Record says Mr. and Mrs. Dunlap Blanton and family have returned from a visit to relatives in Richmond, and have leased the home of Mrs. Larry Anderson.

The Winchester Sun says Mrs. Russell Dykes was called here from Hazard by the illness of her mother, Mrs. Albert Tanner.

Miss Margaret Risk attended the conclave in Mt. Sterling Wednesday.

Mr. and Mrs. G. W. Goodloe were visitors in Lexington Friday.

Mr. and Mrs. S. B. Woolsey, of Crab Orchard, are visiting relatives here for the week-end.

Mr. and Mrs. Carl Molterly, of Carroll county, were with friends here this week.

News from the bedside of Miss Austin Lilly is rather encouraging though she is still not entirely out of danger. Drs. Smoot and Barrow are in constant attendance and it is thought the operation will prove successful. Numerous friends here hope soon to hear of her complete recovery.

Mrs. Mary Hockaday has returned from a visit to her niece Mrs. R. T. Bruce, in Stanford.

Mr. Shelly Hamilton has returned from Mt. Sterling where he attended the conclave.

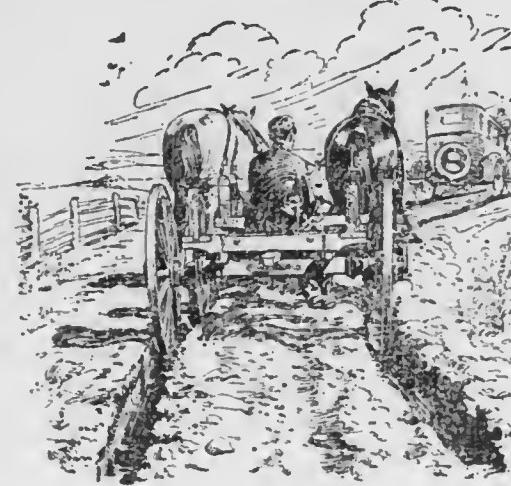

Mrs. Russell Jones has returned to Lawrenceburg after a ten days visit to Richmond friends.

Miss Mary Shackelford is with her grandmother, Mrs. Emma Kaufman, in Lancaster.

Mrs. I. A. Allen, of Lexington, is the guest of Mrs. Florence Mrs. George Williams, in Winchester.

Weber Wagon Value

At half price would you purchase any automobile in 60-inch track?

At half price could you sell to a farmer any automobile in 60-inch track?

Why mislead a farmer into buying a farm wagon that won't track with the automobile?

What better path could a wagon use than the one made as shown above?

When you purchase a Weber Farm Wagon you get more than just a farm wagon. That fact alone is worth looking into.

Some wagons are sold more for the purpose of making a sale and as large a profit as possible than for giving service.

Some dealers are antagonistic to the Standard Track (the one track for every section of the United States) for farm wagons; the 56-inch auto track (not wide or narrow) because they have not got the agency for the Weber.

Some dealers will talk a farmer into buying a 60-inch old-track farm wagon, but when such a dealer goes into the country on business or pleasure does he use a 60-inch track farm wagon, leaving his automobile at home because the 56-inch track is wrong? NO, he uses 56-inch track to go anywhere and everywhere.

Ask the dealers selling automobiles if they have any trouble selling 56-inch track—if they could sell automobiles in 60-inch track even at half price. The answer will be NO.

What track should your new farm wagon be? The Standard 56-inch track, which is neither wide nor narrow.

Phone 97

Mrs. Mattie Oldham and Miss Elizabeth Gardner are guests for the week-end of Mr. and Mrs. Mrs. George Williams, in Winchester.

American women have been educated in footwear up to a point where they are more fastidious than discriminating. They have long been shod with the more graceful and exquisitely finished of shoes and have come to give more and more attention to style and distinctness and somewhat less to appropriateness. This sweeping assertion does not apply to all of them, but holds good for a majority, as one may prove by watching pedestrians in any city. The trend of demand is for less substantial and more dainty footwear, and the new shoes for this spring are answering this demand. A half-dozen pairs of the most practical shoes found in the displays are shown here, together with a regulation pair of smart sport shoes such as the real golfer insists upon owning. These are comfortable and stylish with a hole of their own which belongs to well-made utility shoes of all kinds. The discriminating woman is conscious of it, as she is of the fitness of other apparel to its uses, but there are women who cannot "see" the utility shoe.

The new styles will please the lovers of dainty footwear, for shoes are much elaborated. Low shoes of all kinds, from evening slippers to sports slippers, fill the horizon, having almost displaced the high shoe for the coming season and having gone a long way toward usurping it during the winter. Straps and buckles, or buttons, form decorative points that are made much of, contrasting colors in

leathers or fabrics are used together,

and fancy stitching in contrasting colors or is cleverly employed for decoration.

Applique figures cut from one leather

are applied to another, and patent

figures embellish suede and satin shoes.

Gray, brown, tan, fawn, white,

alone, and in combinations, provide

the manufacturers with a range of

colors which we must concede, are

beautifully handled by them, and are

the best possible choice for footwear.

The variety in shoes is so great that

everyone may be pleased, and there is

a variety in each particular style also.

Taking the dainty slippers shown at

the bottom of the group, (in a circle)

they are made in black or brown satin,

gray or brown suede, or patent-leather

vamps with gray suede quarters, or tan calf vamps with fawn suede quarters or in silver or gold cloth.

New Millinery.

For summer wear the indications are that large hats will be in high favor. This means, of course, that flowers will be a preferred trimming. Long "sketchy" wreaths of flowers that drap the crown and hang streamer-like at one side are much used, and there seems to be a leaning to large flowers, only one or two of these mammoth blossoms being required to trim the entire hat.

THE FRANKLIN

THERE is one main reason for the sales record the Franklin has established since the present period of readjustment set in. The Franklin Car gives exactly the sort of performance the times call for.

MEN—and women, too—are applying the same strict standards to their motoring that are being applied to business. The Franklin measures up to these standards. In all its 19 years, it has never countenanced waste in any form.

IT DOES not waste gasoline by carrying superfluous weight. It does not waste fire and car life through rigidity that transmits road jolt and jar. It does not waste power by employing inefficient cooling system.

LIGHT, resilient and direct air cooled, it turns every drop of fuel into useful work, gets every possible month of wear from the tires, every possible year of service from the car.

INEVITABLY these business advantages are accompanied by more personal ones. Franklin comfort, ease of handling and freedom from worry and work are out of the ordinary, too. Base your judgment on these actual owner's averages:

20 Miles to the Gallon of Gasoline!

12,500 Miles to the Set of Tires!

50 Per Cent Slower Yearly Depreciation

National Averages

DEALER WANTED

We are looking for an alert Dealer to distribute the FRANKLIN Car in Richmond and adjacent territory. Big opportunity for the man who is looking for a proposition that is both permanent and profitable with unlimited possibilities. Full particulars upon request.

WAR MOTHERS TO SELL POPPIES

May 30th having been set apart as Memorial Day and the Poppy chosen as Memorial flower, quite a number have been sent to the War Mothers chapter of Richmond to be sold for the benefit of the French orphans.

The Poppies are made in France and sent abroad by the French Orphans' League. The international price is ten cents, but a circular letter states that all over 10 cents one cent will go to the relief of the French widows. The home chapter hopes to realize 25 cents each for the poppies.—Mrs. H. C. Jasper, secretary.

STRAWBERRY CROP IS FINE THIS YEAR

(By Associated Press)

Lexington, Ky., May 20.—Altho the late frosts nipped most of the early blooming fruit crop and the cool weather that has prevailed thus far in May has retarded general farming, both circumstances conspired to make the 1921 strawberry crop the best flavored in a number of years, according to experts at the Kentucky Agricultural Experiment Station here. Strawberries that have been marketed during the present season have been notable for their size and fine flavor.

"The cool weather has had the effect of retarding the growth of the berries to such an extent that they have developed slowly and fully," said an expert. "The showers that have been frequent have helped a great deal and as a result berries this year are the finest in several seasons."

"The strawberry plants need two good showers a week and weather that is not too hot to do its best. Thus the early May and late April weather has been ideal from the standpoint of the strawberry grower."

The Kentucky strawberry crop is just beginning to ripen and within a week shipments will be going out from Bowling Green, Paducah, and other points day and night, to all parts of the country. At Bowling Green, during the season, solid train loads of berries are sent to the markets east and north, while Paducah, this year, for the first time in a number of years, expects to ship in large quantities.

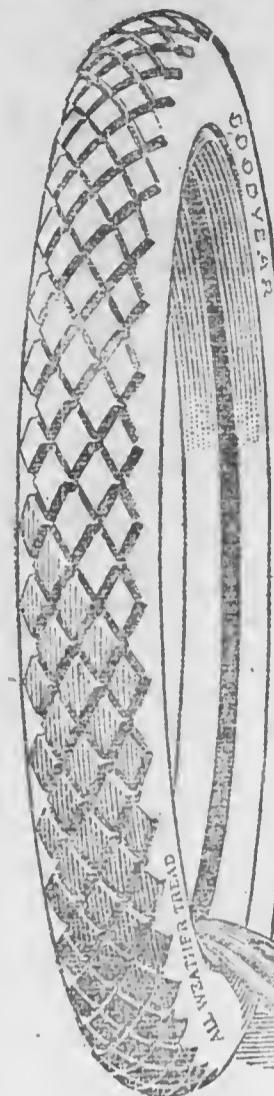

Trains which handle the berries are run on the same schedule as passenger trains, except that stops must be made at intervals to ice cars.

CASH PRIZES FOR GIRL CLUBS, TOO

(By Associated Press)

Lexington, Ky., May 20.—While Kentucky farm boys are demonstrating their ability as junior livestock judges at the 1921 State Fair at Louisville, farm girls will display their knowledge of household problems in a team demon-

By Far the Best Tires We Have Ever Made

Good as Goodyear Tires have always been, they are even better now. More improvements have been made in them in the last few months than in any equal period in our history. Larger, stronger, heavier, and more durable than ever, Goodyear Tires in every size and type are today by a wide margin the most economical and satisfactory you can buy. You can get them now of your nearest Goodyear Service Station Dealer.

Offices Throughout the World

GOOD YEAR

stration contest, plans for which were announced here today by Miss Anita Burnam, assistant state leader of junior agricultural club work. The contest will be held two days, September 13 and 14, and will be open to all counties in the state. The 1921 contest will mark the beginning of such competition between Kentucky girls who are members of junior agricultural clubs.

Cash prizes totalling \$150 have already been offered for the four highest ranking teams, while the winning team will receive a \$50 trophy which will become the permanent property of the county having a winning team two years.

Three girls, from 12 to 18 years old, will constitute a team, according to rules of the contest. Demonstrations will be given in canning, spot and stain removal, care and repair of clothing and dyeing cloth. The teams will be judged on the basis of skill, subject matter, team work and results of finished products.

Somewhat Excited

The following order came to a merchant of this city: "Please send me a sack of flour, five pounds of coffee and one pound

of tea. My wife gave birth to a fine boy last night, also five pounds of corn starch and a screw-driver and rat trap. The baby weighed ten pounds, also ten pounds of nails and a cake of soap. The boy is doing well."—Lebanon Enterprise.

The duodenum extends merely from the pylorus to the beginning of the jejunum, so we suppose it is alright to mention it in mixed company.—Ohio State Journal.

Mrs. Ambrose Calico is visiting friends in Garvard county.

\$600,000,000

in Newspaper

Advertising

Live Trade Paper Highly Endorses Local Publicity

In the April issue of the Zenith we find the following:

"In 1920 the advertising bill in the United States newspapers totaled nearly \$600,000,000."

"Many merchants, because they are the only dealers in the community think that advertising is a useless waste and expense. 'Why spend money advertising when the customers have to come to me, anyway?' they argue."

"The only time a customer must buy from his local store is when the mails can't reach him, and mail order business is out of the question, or when a customer is in immediate need of some article and must have it without delay."

"The dealer with the mighty weapon of newspaper advertising creates new customers, awakens demand and creates good will. The purpose of advertising is not alone to sell goods the customer needs, but to create needs."

BUY HAPPINESS!

ASKS BANKS TO CLOSE WEDNESDAY

So Entire Clerical Force May Attend 8th District Convention At Lawrenceburg

The Eighth District Bankers Convention is to convene at Lawrenceburg next Wednesday, May 25, and in order to have a full meeting, President J. S. Hocker, of Stanford, has asked that all the banks in the district close on that day in order to give the entire clerical force of each bank an opportunity to attend. The letter from President Hocker, is as follows:

Dear Bankers:

We want the Group Eight meeting, to be held at Lawrenceburg, on May 25, 1921, to be the best in the history of these meetings and to this end we desire to enlist your enthusiastic support. Important matters will be discussed and by an exchange of ideas, we hope to bring out much information that will be beneficial to all of us in these trying times. Never before have conditions generally demanded closer working relations between the banks themselves, and between banks and their customers, than at the present time, and we want this to be a regular "get together" meeting for the bankers of Group 8.

It has been suggested in view of the importance of the meeting, that the banks of the Eighth District declare a holiday for May 25th, and the entire clerical force accompany the executive officers to the meeting. This meets with the approval of the Lawrenceburg bankers, who will furnish the entertainment, and they will be glad to have us all come. A number of bankers have already consented to this and all who will do so, please make arrangements at once and notify Mr. J. M. Bird whistle, Lawrenceburg, Ky.

This meeting should give our clerical force, as well as ourselves, renewed interest and enthusiasm.

MARKETGRAM

Grain

Although prices averaged higher during the week, market trend was uncertain and sentiment mixed. Unfavorable crop and weather reports resulted in numerous upturns but lack of support invariably resulted in reaction. Principal bearish influence was passage of the Tincher bill by the house of representatives; pit conditions also a factor. On the 18th market was lower early but advanced later on account of crop reports from Kansas and Nebraska and reports of large export business. Country offerings of corn were more liberal, with Illinois and Indiana marketing corn rather freely. In Chicago cash market No. 2 red winter wheat \$1.55; No. 2 hard \$1.56; No. 3 mixed corn 58c; No. 3 yellow corn 58c; No. 3 white oats 39c. For the week at Chicago May wheat was up 4 1-2 cts at \$1.48 5-8; May corn down 1-1/2c; at 59 1-4c; Chicago July wheat up 1 3-4c at \$1.18 3-8; July corn down 2c at 61 5-8c; Minneapolis July wheat up 1 3-4c at \$1.24; Kansas City July 2c at \$1.12; Winnipeg July 10 1-3c at \$1.56 3-4.

Livestock and Meats

Chicago hog prices declined 5-15c per 100 pounds the past week. Beef and butcher cattle were practically unchanged. Feeder steers up 15-25c. Veal calves advanced 25-75c; fat lambs 50c-\$1.25; yearlings 50c-\$2; fat ewes 75c-\$1. May 18, Chicago prices: hogs, bulk of sales, \$8.25-\$8.70; medium, good beef steers \$7.50-\$9; butcher cows and heifers \$5.25-\$9; feeder steers \$7-\$8.90; light and medium weight veal calves \$8-\$9.75; fat lambs \$9.75-\$12.25; feeding lambs, yearlings, \$8-\$11; fat ewes \$6.25-\$7.75. Stocker and feeder shipments from eleven important markets during the week ending May 13, were: cattle 31,723; hogs 4,919; sheep 7,350.

With the exception of eastern lambs, wholesale fresh meat prices declined. Beef down 25c-\$1; veal, mutton and pork loins generally \$1 lower per 100 pounds. Lambs ranged steady to \$3 higher, depending upon the market. May 18 prices: good grade meat: beef \$14.75-\$10; veals \$15-\$17; lamb \$24-\$26; mutton \$16-\$18; light pork loins \$22-\$24; heavy loins \$15-\$19.

Stewart Carson, who married Miss Azbill, of this city, is a candidate for the democratic nomination for county clerk in Lincoln county, his home. He is very popular there.

Kentucky's Chief Executive "delighted" with his

Studebaker
BIG-SIX

Edwin P. Morrow
GOVERNOR

Office of the Governor
Frankfort
April 4, 1921.

Vatter-Oetken Motor Co.,
Frankfort, Kentucky.

gentlemen:-

I want most sincerely to testify to the dependable, satisfactory quality and service of the Studebaker Car which you sold me last September.

I have found the car to be most thoroughly dependable under trying conditions, as I have used it on long trips which had to be made on a schedule calling for speed and certainty. I have never been delayed by engine trouble; break-down of parts of the car or other similar troubles since I have used it. The car looks well; performs well, and especially is one of the easiest riding cars I have ever been in. Its equipment is satisfactory in every way and the whole car stands the strain of the road wonderfully.

I have been really delighted with the car as a dependable, satisfactory piece of machinery, which produces the results desired.

I can most earnestly recommend it as decidedly the best car on the market at anything approaching its price, and its performance is equal to any car.

Most sincerely yours,

Edwin P. Morrow
GOVERNOR

The above is an exact reproduction of an unsolicited testimonial received from the Governor of Kentucky and indicates the appreciation men of discrimination have for Studebaker Quality and Dependability.

Pretty Things for the Baby

IT IS a fortunate thing for all the interested friends who wish to bear gifts to the baby upon his arrival, or to anticipate it with them, that there are ribbons to depend upon. Ribbons solve practically all problems when the matter of selecting gifts comes up and they either make or adorn nearly every belonging of his babyship. These belongings are about the same from year to year, but they are developed in endless ways, mostly by varying their adornment. They inspire the same enthusiasm that each succeeding springtime does and are as perennially lovely—proof of this is at hand in the group of new ribbon-made or ribbon-adorned baby things shown above.

This picture portrays only a few of the many ribbon accessories for the baby, that are shown in the shops. The most pretentious piece in it is the carriage robe made of thin, flowered silk, with a frill of satin ribbon about its edge. Instead of embroidery or ribbon applique carriage robes often look for adornment to big and ample bows or rosettes of satin ribbon, to be fastened on with a safety pin when in use. These in themselves make

PRESBYTERIANS HEAR BLUE SUNDAY REPORT

Sabbath Observance Committee Reports on Various States at Winona Assembly

(By Associated Press)

Winona Lake, Ind., May 21—Abolition of Sunday base ball, Sunday movies, Sunday theatres and unnecessary Sunday business are advocated in the annual report of Dr. H. L. Bowby, General Secretary of the Presbyterian committee on Sabbath Observance. In his message to the General Assembly, Dr. Bowby says in part:

"The Presbyterian Committee on Sabbath Observance struck out on its second year soon to hit upon paths that were not laid by builders of the republic who dotted early New England with little white churches and little red schoolhouses; paths of organized Sabbath desecration which led not to church nor to Bible school on the Lord's Day, but to the commercial movie, vaudeville and theatre, base ball and amusement parks, the dance hall, sporting club, open business houses, loafing parlors, constant temptations to multitudes of youth and adults, to sell their Sabbath birth right for this red pottage."

"Among the victories of the year as won by the Lord's Day Alliance of the United States and its auxiliary affiliated societies and in which the Presbyterian Permanent Committee in a number of instances had a co-operative part, are the following:

"In New York the double defeat of the Dickstein Sunday business bill and 18 other bills which attacked the American Sunday is significant. Excellent progress was also made on bills to close all grocery stores and barbershops on Sunday. Aid was given the censorship bill, which was passed."

"In New Jersey the motion picture forces and the commercial sporting advocates were held in check."

"In Pennsylvania an obnoxious Sunday business bill was defeated by an overwhelming vote in the assembly, and other proposed anti-Sunday legislation was killed in committees."

"In Ohio the Taylor Sunday movie bill was defeated."

"In Wisconsin an advantage for more rest days for policemen was won. A grist of anti-Sabbath bills is being held back."

"Splendid results may also be reported for New England, Maryland, some of the mid-west and Pacific Coast states, the South, where last July organized work was undertaken by the Alliance, and in the District of Columbia."

"The committee would stress on a nation-wide propaganda for wide-open Sunday, and by misrepresentations, exaggerations and a string of lies published through the press and in the movie houses, and intensive advertising, extensive efforts were made to fool the people and make good the former threat of 'wiping out every vestige of laws protecting Sunday from the statute books of every state in the United States.'

"Although the attack was made directly against the Lord's Day Alliance of the United States, our committee saw that the real issue was interrogatively stated 'Shall the American Christian Sabbath be Abolished?' A communication was shaped up by the secretary of the committee and sent out to strategic centers warning Presbyterian pastors and leading ministers of this movement, a more dangerous than which has not been attempted against the American Sunday in the last 50 years."

"With so many Olympian obstacles placed in the way of the church, the Bible school and the home, and no adequate machinery at hand to remove them, we believe the church should promptly adopt the slogan of the late Lord Kitchener who, on arriving at his headquarters, tersely asked 'Is there a bed here? And on receiving the answer, 'No,' replied, 'get one.'

Unless some appropriate solution is found for this problem, many of our churches will fall upon dissolution."

"The committee believes that 'Go Church Sundays' are good and useful but that there would

By a Constant Study of Details Always With An Eye to Improvement

we have built a commercial service so well organized and systematized that it can be depended upon to function with the accuracy and precision of a smoothly running machine. The business interests of Richmond always come first at the

MADISON NATIONAL BANK

be no urgent need of them if we had a proper observance of the Lord's Day. If the people properly observe the Sabbath they will be found in the House of God on that day.

Remove these counter-attractions and distractions of the day and it will prove a far easier matter to woo and win back a multitude of young people who have lost the way to the Bible school and the church. Close up the Sunday movie theatre, shut the gates of the base ball parks, lock the doors of many open places of business, make more attractive but none the less spiritual, the meetings of the church, and this paramount problem of the church will be well on the way to a definite and effective solution."

Potts "Gold Dust" Flour

ONCE TRIED—ALWAYS USED

\$200 IN CASH for Naming this Picture

Hello, Folks! Here's your old friend Maud Purina again!

Think up a name for this funny picture and send it in. See prizes below. The sure way to win money all the time is to feed Purina O-Molene to your horses and mules. They repay you well in better health and harder work. Thousands couldn't do without it.

Now for the fun! Think up something to call this picture. It might be described by a sentence, or a quotation from a poem, or most anything—just so it isn't over 20 words, and fits the picture.

\$100 for the sentence, title, poem or even a single word that fits the picture best.

\$25 for the Second best.

\$5 each for the Fifteen next best ones.

A real Maud Purinakin (silver-washed) will be sent to every person submitting an answer. Only one to a person!

In case a winning expression is submitted by more than one person, each will receive the prize stated above. All answers must be mailed by June 11, 1921.

Don't be afraid to try. A fifteen-year-old boy won the Hundred Dollars last year. All you need to do is name the Purina O-Molene Dealer in your town and mail your answer right quick to your old friend,

Maud Purina, care PURINA MILLS, St. Louis, Mo.

Winners Will Be Announced About the End of June

W. W. Broaddus & Co.

Richmond, Kentucky

INDIANAPOLIS, IND.—Roscoe Sarles, who is always a contender in speed events, especially on the Pacific coast, will take another whirl on the wheel of fortune in his native state by virtue of his entry in the Ninth International 500-mile sweepstakes race to be held at the Indianapolis Motor Speedway Monday, May 30.

It was only a few years ago as a mere youth, that Sarles was promoting and piloting cars in race meets over the half-mile tracks at county fair grounds in Indiana. He was confident he would graduate to the big league of racing and within a short time was riding with several of the better drivers as mechanician.

Then he got a car of his own and went right out and made good. Probably no other driver has taken so many spills as Sarles and come out of the melee smiling and unharmed.

Sarles hails from Lafayette, Ind., just a hop-step-and-jump from the Indianapolis Motor Speedway, and the home folks flock in droves to see their native son flit with fame and fortune over the bricks of the historic speed course of the Hoosier capital. But something always happens and many believe he is jinxed in his home state—but he always gives the natives a run for their money while he is in the race.

Two years ago Barney Oldfield thought so well of Sarles that he nominated him to pilot his "Golden Submarine," but before the race was well under way a broken cam shaft put the car and Sarles out of the running.

PAINT LICK

Mrs. Charles Friend is in Danville with her sister who is ill.

Miss Sadie Ralston of Georgetown College, spent the week-end at home.

Mrs. Vanvinkle and children visited friends in Berea Wednesday night.

Miss Beulah Edwards was the guest Monday night of Miss Elizabeth Conner.

Miss Fannie Dowden and Marie Ledford spent the week-end with friends in Berea.

Miss Abbott a returned missionary from India, lectured at Wal-mutta Sunday morning.

Misses Kellogg, of Richmond, and Allen, of Lexington, were in Paint Lick on business Monday.

Mr. and Mrs. E. C. McWhorter were in Paint Lick Tuesday mingling with friends and relatives.

Mr. and Mrs. John Anderson of Point Leavell spent Saturday night and Sunday with Mr. and Mrs. Tanlbee Cornett.

Rev. Skaggs took the train at Danville for Chattanooga, Tenn., where he will spend a week at the Southern Baptist convention.

Mr. and Mrs. Frank Ambrose and daughter, Miss Gracia, of Berea, spent Saturday and Sunday with Mr. and Mrs. Parker Foley.

Mr. and Mrs. R. G. Woods, Mr. and Mrs. R. J. Walker, and Mr. J. N. Denny attended the dedication of the Presbyterian church in Richmond Sunday.

Misses Sara Cardwell, of Harrodsburg, Mildred Upton, of Louisville, and Hortense Lewis, of Greensburg, were the week-end guests of Miss Elizabeth Walker.

Mr. and Mrs. Warren, of Lexington, were guests of friends and relatives here part of last week. Mrs. Warren will be remembered here as Miss Stella McWhorter.

Mr. and Mrs. Foley entertained Sunday, the following: Mr. and Mrs. J. B. Browning, Mr. and Mrs. W. K. Browning, Mr. and Mrs. Ike Browning, Mr. and Mrs. Frank Ambrose, and daughter Miss Gracia.

Dr. and Mrs. Wallingford and baby, Mr. and Mrs. S. J. Bagby, Miss McClain, Mr. and Mrs. Joe James, and Mrs. Ada Ely, of Paris, Mrs. R. J. Skaggs and children and Robert Ledford, Jr., were dinner guests of Mrs. Kate Ely and daughter, Miss Kate, Sunday.

Mr. and Mrs. A. B. Wynn entertained the employees of the postoffice Tuesday at supper. The following day they enjoyed the hospitality of Mr. and Mrs. Wynn: Mr. and Mrs. N. M. Burgess and children Mr. and Mrs. Thomas Logsdon and children, Messrs. Willie Rogers and Wm. Caldwell and Misses Cora Bryant and Ava McWhorter.

Paint Lick high school announces commencement exercises at the school auditorium Thursday evening, May 26, at 8 o'clock. Prof. E. F. Fragniar, department of English, University of Kentucky, will address the graduates on "Education and Some Claims of Literature." The recipients of the honors of the evening are Estella West, Grace Hall, Benjiah Ledford, Cynthia Prewitt, and Rodney Rayson.

Mr. George Lee has returned to Danville after a visit to his daughter, Mrs. Murray Smith.

Mr. John Maupin and sister, Mrs. Wm. Farris, of Louisville, were with Lexington friends Friday.

COLORED COLUMN

(W. B. Chenault)

Mesdames B. D. J. Coleman, F. S. Gwynn, and Dr. D. Newman, Grand Court of Calanthe officers, were in Lexington this week attending the funeral rites of Miss Lelan Snowden, daughter of Mrs. L. C. Snowden, G. W. C. of the Grand Court of Kentucky.

Dock Rice returned home from his work Tuesday morning with a broken hip and a fractured ankle which was caused by a runaway team.

The Woman's Mite Missionary Society met at the home of Mrs. B. D. J. Coleman, Wednesday af-

ternoon.

PAIGE

The Most Beautiful Car in America

A Car With Personality

There is an air of distinction about the New Series "Glenbrook" that you will find in no other moderate priced, five passenger car. That is why it has been adopted by really smart people who will not tolerate the commonplace.

Then, remember, it not only looks but acts the thoroughbred. Under the hood there is a marvelously efficient motor that accelerates from five to twenty-five miles per hour in nine seconds flat. This means giant energy for hills and every test of the highway.

Last, but not least, the "Glenbrook" is a rigid Economist. It extracts every atom of power from a gallon of gasoline and turns up surprising mileage on a set of tires. It is a thrifty car with a keen sporting personality—a very hard combination to find.

But we ask you to establish these facts for yourself. Take just one ride in the "Glenbrook" and discover what actually lies hidden under the hood. It will prove a revelation, we believe, and a liberal education in strictly modern engineering.
